

# GRADE 5

## April News

### Message From The Teachers

We would like families to know that we have some educational, interesting, and fun events and trips coming up! This is great news, however it is imperative that your students demonstrate appropriate behavior while here at Freedman. If we cannot trust their judgment here in the building, it could be a significant safety concern to have them leave the building. We want all students to have the opportunity to join us, so please discuss behavior expectations with your child(ren).

### Important Dates

- ✓ April 2<sup>nd</sup> – Grades Close
- ✓ April 12<sup>th</sup> - Report Cards
