

January 2021 Newsletter

Kindergarten

ELA

We will begin our unit of retelling. We will retell a story beginning, middle and end through pictures and discussion. We will also answer questions about key details and make text to self-connections.

Literacy: We will continue to explore letter/sound relationship, penmanship and learn and use new vocabulary.

Writing: We will begin unit 3 in our writing program "Being a Writer". We will add more to our writing and illustrations to tell more. We will continue to write letters, sounds and words by using letter sound knowledge. We will use a word wall to write high frequency words.

Math: We will continue to use our math program Ready Math. We will finish Unit 2 of numbers 6-10. We will begin Unit 3 which is Geometry. This Unit is all about shapes. We will name shapes, compare shapes and discuss positional words.

**Please help your child practice writing and recognizing numbers 1-20 as this is crucial to upcoming lessons.*

Social Studies: We will be learning about Martin Luther King. We will also discuss our lives and the lives of others and put our lives in chronological order.

Science: We will take our 2nd Science assessment and start the unit #3 which is matter and its interactions. We will discuss pushes and pulls.

Important Dates:

January 6th- Schools Closed for Teacher Professional Day

January 18th - Schools Closed-Martin Luther King Jr. Day
